HON. (DR) SHINA ABIOLA PELLER

A member of the ninth House of Representatives representing Iseyin/Itesiwaju/Kajola/Iwajowa Federal Constituency, to the family of the late renowned magician, Professor Moshood Abiola Peller.

Before venturing into politics, Hon. Peller who is the Ayedero of Yoruba Land, the Akinrogun of Epe Land, the Mayegun of Igboobi-Sabe and Aare Gboganiyi of Iseyin, has been a consummate businessman and entrepreneur with over 20 years leadership and management experience.

He is the founder of AQUILA GROUP OF COMPANIES, a multi-billion Naira conglomerate with

international investments in real estate, hospitality, energy, financial services, entertainment and international trade.

The subsidiaries of the group are: Aquila Building and Projects Limited, Aquila Oil and Gas Limited, Aquila Global Resources Limited, Aquila Records, Zalalem BDC, Six Restaurant and the prestigious Quilox Bar and Nightclub.

He holds a bachelor degree in Chemical Engineering from Ladoke Akintola University of Technology (LAUTECH) and a Master's degree in Business Administration. Hon. Peller is an exceptional philanthropist who is selfless in many ways. Over the

years, he has continuously awarded several scholarships to the needy and has been involved in various community projects. He is a patron of several local and international charities.

His desire to ensure the growth and development of his people in his constituency and Oke Ogun at large informed his decision to join politics, even at the expense of his thriving businesses.

Since 2019 when he got the mandate of his people to represent them at the lower chamber of the National Assembly, Honourable Peller has remained the people's representative, always speaking from the side of the masses; he has refused to be

driven by selfish interest, but the overall interest of the people.

Shina Peller has been the recipient of several awards and recognition both at home and abroad for his contribution to the society, the economic development of Nigeria as well as for his personal, philanthropic and professional achievements. His businesses have also been given numerous awards based on their outstanding performance and success over the years. His notable performance in delivering proper dividends of democracy and creating a proper channel of communication between him and his constituents has earned him multiple

awards, such as the most Promising House of Representatives Member awarded to him by the Democracy Heroes Awards, the Peace Builder Award for Excellence in Community Development by Peace Achievers International Award, and many others. Shina Peller has played a crucial role in supporting the media industry in Nigeria. He was

awarded by the Nigeria Union of Journalist, Oyo State Council as a Pillar of Support and Most Media Friendly Reps Member in recognition of his relentless philanthropic gesture and deep commitment to the progress of journalism. Hon. Peller's active-ness on the floor of the House is evident in his numerous bills and motions which are masses-

driven as contained in this compendium. Also, his constituency outreach has continuously been described by many as noteworthy. Hon. Peller is the Chairman Board of Trustees of Lead Generation Initiative (LGI), a non-governmental, non-partisan and non-profit organization committed to creating opportunities for young Africans to

channel their creativity, energy and aspirations to adding values to their communities.

The organization develops the interest of youth in governance, social inclusion and participation in the democratic and development process of their country. Hon. Shina Abiola Peller is happily married to Ayobola Peller, a chartered accountant and auditor, and they are blessed with five beautiful and intelligent children.

In 2018 when Honourable Shina Peller kicked off his campaign to vie for a seat at the House of Representatives representing the good people of Iseyin/Itesiwaju/Kajola/Iwajowa federal constituency, SHINAAYO formed the 8 cardinal points of his campaign manifesto. Today, to the glory of God, we can say boldly that he has touched each of the 8 cardinal points, and when elected as a senator representing Oyo North Senatorial District on the platform of Accord in 2023 insha Allah, he shall build on what he has done.

PELLER UNITY CUP Season 1 & 2

The Peller Unity Cup (PUC), initiated and founded in 2017 by Honourable Shina Peller, was to commemorate the 20 years memorial of the great Late Professor Moshood Abiola Peller, a renowned magician who hailed from Iseyin, Oke Ogun region of Oyo State, Nigeria. He was unarguably one of the greatest magicians of all time. Professor Peller, through his magical prowess, promoted unity and

peaceful coexistence of mankind across the world. So, PUC is a youth empowerment/development initiative with a mission to promote unity and development across all the local governments in Oke Ogun and by extension Oyo State. The first edition of the PUC was held in 2017, while the second edition was held in 2022. The second edition ought to have held in 2020, but was postponed due to the outbreak of the deadly

Coronavirus disease (COVID-19). The maiden edition of the PUC succeeded in identifying many football talents from the grassroots as teams from the tournament later featured in state competitions for the first time and quite a few of the players have carved a niche for themselves in football. One of the grassroots football clubs in Oke Ogun, Saki United, that participated in the first and second edition of the PUC, is the Oyo State

AITEO Cup 2022 Champion, which led to the team representing the state at the national level. This remains historic because no Oke Ogun football club has won the cup before. Saki United was also one of the four football clubs in Oke Ogun that Honourable Peller

sponsored to participate in the Oyo State AITEO Cup after PUC Season I. It is a good thing that football talents in Oke Ogun are being identified and brought to the limelight. One of the tools through which this is being achieved is PUC, and efforts will

be intensified to support all initiatives targeted at promoting unity, youth engagement and development through the tournament.
